Career Objective

Motivated MCA student and aspiring Full-Stack Developer with hands-on experience in building scalable web and mobile applications using ASP.NET, C#, React.js, and modern UI frameworks. Skilled in creating professional, responsive, and user-friendly solutions through academic, personal, and freelance projects. Seeking opportunities to apply technical expertise, problem-solving skills, and creativity to contribute to innovative software development teams.

Education

- Master of Computer Applications (MCA) | Jamia Hamdard University, New Delhi | 2024 - Present

- Bachelor of Computer Applications (BCA) | Shaheed Himayun Muzammil Memorial Govt. Degree College, Anantnag | 2021 - 2024 | CGPA: 6.3

- Higher Secondary (12th) | Islamia Hanafia Wakf Higher Secondary School, Lalchowk Anantnag | 2019 - 2020

Technical Skills

- Languages: C#, SQL, HTML5, CSS3, JavaScript

- Frameworks & Libraries: ASP.NET, MVC, Razor Pages, Web API, React.js, Redux, Tailwind CSS, Bootstrap

- Databases: SQL Server, Entity Framework

- Development Areas: Web Development, Android Development

- Tools: Git, GitHub, VS Code, Visual Studio

Projects

1. Student Management System

- Developed using ASP.NET Razor Pages and Entity Framework.

- Features: Attendance reports, Admin dashboard, Dark/Light theme toggle, and Notification system.

- Designed with a professional, modern dark-themed UI.

2. HealthCart

- E-commerce platform for medicines with an online doctor appointment feature.

- Focused on user-friendly navigation, responsive UI, and secure data handling.

3. Daily Expenses Tracker

- Built with ASP.NET MVC and local storage support.

- Clean, aesthetic frontend using Bootstrap and Tailwind CSS.

- Helps users track daily expenses in a simple, efficient way.

Experience

Student Developer | ILS (1 Year)

- Worked on multiple academic and personal projects.

- Gained hands-on experience in modern web and mobile development frameworks.

- Applied C#, ASP.NET, React.js, and SQL in real-world project scenarios.
